Dear Ronald and Debbie,

On behalf of Beaver Run Elementary School, I would like to personally thank you for coming to our school and sharing the "Best You Can Be" program. The four program highlights truly made an impression on our student body:

- * Believe in yourself: Positive Attitude
- * Making Good Choices
- * Good Character
- * Making Good Friends

Our students learn about these traits, philosophies, and skills daily through our PBIS and character education programs. However, your program, served as a wonderful summary to pull all these valuable lessons together.

Additionally, both the children and teachers enjoyed the humor and magic infused throughout the show. They are still talking about the program days later. They couldn't get enough of that Webster! What an impact!

Finally, a special side note to Ronald and Debbie, outside of the program. You walked into Beaver Run so gracious and kind that everyone took notice. Whether it was because you stopped to talk to the office staff, cafeteria staff, teachers, or students you made a difference in their day. You both are truly the best you can be! Again, thank you so much and we look forward to seeing you here at Beaver Run again soon!

Sincerely,

Mindy Adams
