The Ronald McDonald Show  
Mr. Allen Moessinger, Show Coordinator

Dear Mr. Moessinger:

On behalf of all of the students and faculty members of Glen Avenue Elementary School I wish to thank you for sharing your wonderful show with us! Your excellent message, your warm rapport with everyone, and your enthusiasm for meeting with young people just made your program so effective in our total efforts to guide our children in making good choices every single day. Every point that Ronald McDonald stressed was so meaningful for the students and so well received by all. You moved about the students with such ease and made a point of personally meeting several "special needs" students before the show. During your show you made a point of referring to these students by name as your friends which raised their self-esteem beyond expectation.

Truly our faculty and students would agree that Ronald McDonald's visit to Glen Avenue School was the very best show that we have had. It was as if you just knew the message that our children needed to hear, and you then delivered it perfectly with tremendous warmth and vigor. Everyone felt that they were so important in your eyes – even our adults in our school office.

Please come again to visit Glen Avenue School!  
We Love you!

Sincerely,
